

The New English School

23rd June 2022

Dear parents

NES is delighted to announce enhancements to our Secondary School programme which will allow our students to choose their pathway to success.

Due to the success of our American Program, we will expand our curriculum to cater for students from Grade 9 to Grade 12. Students will excel and benefit from our highly rigorous scope and sequence.

We are also excited to announce that we are a Candidate School for the International Baccalaureate Diploma Programme. The school is pursuing authorization as an IB World School. These schools share a common philosophy- a commitment to high-quality, challenging, international education that we believe is important for our students.

The above two programmes will highly complement our already well-established and highly successful IGCSE and A-level programmes.
